## RANDOM REFERENCES

Order Railway Conductors and L. A. of O. R. C. will hold their annual outing at Lorin Farr Park, Aug. 7, 1919.

**Gas Plant Threatened**—The Utah Light and Power company gas plant at Twelfth street and Lincoln avenue was threatened with fire last evening at 7:16 o'clock, when heat from the generating chamber caused a wooden flue to ignite. When the fire department arrived at the scene the tar paper roofing was burning, it is reported.

**Money to loan.** Kelly & Herrick. 4706

**Priesthood Meeting**—The regular union meeting of the Ogden stake auxiliary and priesthood organizations will be held tomorrow. Of special interest to Mutual improvement associations is the talk, "M. I. A. Service," which is to be given by Roy C. Snow, general board member of the M. I. A. All who are interested are cordially invited to attend, and especially the M. I. A. officers and members are urged to be there.

**"Fishing tackle that's fit for fishing."** That is the kind we sell. Geo. A. Lowe Co.

**Kenneth Gallacher Returns**—Kenneth Gallacher, son of Mrs. D. I. Gallacher, 2547 Lincoln avenue, has returned from France after having spent several months with the American expeditionary forces.

**Tackle fishing with your fishing tackle** is the advice of Mr. Fisher at the Geo. A. Lowe Co. fishing tackle department. He will sell you the tackle and the license to use it.

**Church Sunday School Outing**—The Sunday school of the church of the Good Shepherd will hold its annual outing Tuesday afternoon, July 29, at Lagoona. All friends of the Sunday school and parish are invited to join the celebrators.

Meet me at Hamill's, 623 24. 6210

**Dimming the Gold**—Dr. Ray Palmer will speak Sunday at 11 a. m., on the above topic. He earnestly requests all members of the church and congregation to hear the message. A most cordial invitation also to the public.

**Clean rags wanted at the Standard office.**

**Stork Brings Girl**—Mr. and Mrs. Earl Read are rejoicing over the arrival of a lovely nine pound baby girl, born last Thursday morning at 8 o'clock.

**Artistic Funeral Pieces** a specialty. Lumke Floral Co. Phone 52-W. 4930

**High Price for Wool**—Wool has been received at the general offices of the Hansen Livestock and Feeding company in this city that its large consignments of wool to the Boston markets had brought 58 to 60 cents per pound, the deal aggregating about \$45,000. This is believed to be the highest price paid for Utah wool. It was stated by officials of the company that this amount was about \$10,000 more than could have been secured had the eastern representatives bought the wool in Utah.

Hamill's for the best candies, ice cream and lunches. 323 24. 6210

**William Knight to Speak**—William L. Knight, who has just returned to Ogden from a four-year mission in New Zealand, will be the principal speaker at the services in the Sixth ward tomorrow evening at 7 o'clock. Elder Knight will relate some of his experiences while in the mission field. Orson Griffin will render special musical selections.

**Cleland and Cleland, chiropractors.** Palmer school graduates. Office at their home, 2623 Brinker Ave. Phone 1584-J. 4919

**Steering Wheel Locked**—The steering wheel of W. J. Rawson's automobile locked as he attempted to turn north on Washington avenue from Seventeenth street last evening about 10 o'clock, which resulted in a collision with the automobile driven by George C. Stanley, 622 Twenty-seventh street. The left front wheel of Stanley's machine and also the fender was damaged. Rawson's machine was not damaged. A small son of Stanley was slightly injured.

**Ice—Pure distilled artificial only.** M. L. Jones Coal & Ice Co. Phone 1603. 2669

Hamill's next door to the Berthana. 6210

**Exceeds Speed Limit**—Joseph McIntyre, arrested last evening for driving his automobile in excess of the speed limit and who was released from the custody of the police on the payment of \$10 bail, failed to appear in the city court this morning and the bail was ordered forfeited by the court. A bench warrant was issued for his arrest.

**"Yes, sir, I landed that 6 1/2 pound trout last year so I have bought this year's supply from that old reliable store."**

**WE do custom milling of all kinds of flour and feed.** West Ogden Milling and Elevator Co. 3608

**Marriage License Granted**—A marriage license was granted this morning in district court to Adolfo Caserri, Hazen, Nev., and Amata Landucci of Ogden, Utah.

**QUICK messenger service.** Phone 502. 2900

**County Records Being Cleared**—Technical testimony regarding county

## POSTMASTERS OF STATE CONVENING TODAY

Fourth class postmasters from all parts of the state met in convention this morning at 10 o'clock in the court room of the Federal building. About 30 postmasters from various cities in the state were present at the first session. The meeting of the postmasters was called some time ago by postal authorities so that the working of the department during the recent war and what is expected in the future could be explained to them.

The postmasters were entertained at a luncheon today at the Weber club by the Ogden publicity bureau. Governor Bamberger will arrive this afternoon and deliver an address at the convention.

Among the speakers at the first session of the convention were Arthur Woolley of this city, who is secretary of the war savings stamp committee. He explained to the postmasters the plans of the state for subscribing the state's quota for this year. He also commended the cooperation that the postmasters had given the state committee in recent campaigns.

City Attorney Reeder was also one of the speakers. Postmaster Inspector O'Donnell spoke of various subjects of postal importance and told of the operations of the postal department in delivering mail to the training camps and overseas.

The program of yesterday was considered a great success, and though unforeseen reasons prevented a number of people who were scheduled to participate, their place was taken by a number of pioneers who told of many interesting experiences of early times.

The afternoon was taken up with athletic contests. A baseball game between the fat and lean men of the community resulted in a victory for the heavyweights by a score of 11 to 9. The game between Hooper and Clinton was won by Clinton by a score of 8 to 6.

Professor Samuel Biddulph was present and read a poem which he had composed especially for the occasion. He acted in the absence of A. F. South, who was unable to attend the celebration.

## WEBER FARM BUREAU COMMITTEE MEETS

### MISS REECE

The following article in regard to the meeting of Miss Reece with the Women of the Weber County Farm Bureau recently is published in the weekly bulletin of the Weber County Farm Bureau:

Miss Reece of the Western Division of the Red Cross, with headquarters at Denver, met with a committee of the women's department of the Farm Bureau on Monday, July 21st. The committee named included Mrs. E. A. Barnes, chairman of women's work, Mrs. M. K. Jacobs, child welfare project leader and Mrs. Ed Ritter.

The purpose for which Miss Reece was sent to Utah was the investigation of the health conditions in each county and to learn if they are being looked after in an organized way by local organizations. Miss Reece explained the reason for asking to meet with organizations such as the women of the farm bureau was so that the work which the Red Cross contemplates would not duplicate the work already being done and that the Red Cross wishes to cooperate wherever possible in this work.

Miss Reece was surprised at the work being done here and expressed herself as very favorably impressed. Her report to the Denver office will be that the women in Weber county are very well organized to take care of this work and that splendid progress is already being made. Her recommendation for the Red Cross work in this county will be cooperation with the existing organization. We will expect to hear more from Miss Reece later.

records, incorporation of the Huntsville Irrigation corporation, and the manner thereof, was rendered in district court this morning before Judge A. W. Agee, by W. J. Young, Francis Bingham and E. P. Bingham. The latter testified that the Huntsville Irrigation ditch and the Felt, Peterson and Slater ditch were built in the year 1862.

**G. W. Tripp, 320 1/2 25th street.** "The photographer in your town." Established 1893. Reliable.

**Clean rags wanted at The Standard office.**

**At Fourth Ward**—Leroy C. Snow of the general board, will be the speaker at the M. I. A. conjoint session of the Fourth ward chapel at 7 o'clock tomorrow evening. Special music will be rendered.

**Old papers for sale.** Ogden Standard.

**C. M. Marriott, attorney.** moved to Room 14, Commercial National Bank Bldg., phone 753-L. 6201

## HEAVY RAINS CHECK FIRES IN BRIDGER AND TETON FORESTS

According to word received by local forest service officials in this city from the supervisors of the Bridger and Teton national forests state that heavy rains which have fallen on practically all parts of the forests, have considerably checked the danger from forest fires.

One of the most serious forest fires in this district of the service has been burning for the past week on the Bridger national forest in the vicinity of Jack Creek. The report stated that the danger from the spread of the fire was not so great after the rainfall. The fire was endangering the entire northern portion of the forest. Several hundred men have been employed on this forest to combat the fire.

It is the belief at the forest service offices that the same rain has helped the very serious conditions on the Wyoming national forest.

No reports have been received from the supervisors of many of the forests of Idaho. A letter received this morning from Assistant District Forester Morse, who is in Boise directing the fire fighting operations, states that the situation is still very serious. The fires on the Idaho national forest have been placed under control and can be extinguished in a few days if heavy winds from the north do not fan the flames to such proportions that they will be beyond control.

## S. P. BAND CONCERT AT LORIN FARR PARK SUNDAY

The Southern Pacific band will give a concert tomorrow afternoon at Lorin Farr Park. A very interesting program has been arranged for the concert. The program as arranged is as follows:

"The Screamer March" by Fred Jewell.  
"Indian Summer," two-step, by Neil Moret.  
"The Holy City," solo, by Miss Mildred Ware and Stephen Adams.  
"The Troops Tribunal," march, by Fred Jewell.  
"Jack O' Lantern," selection, by Ivan Carvill.  
"The Only Tune the Band Could Play Was Auld Lang Syne" by Al Hayes.  
"Tell Me Why" by Vincent Rose.

## CAMPAIGN AGAINST DEADLY FLY STOUTLY URGED

The following article issued by the Weber County Farm Bureau urging that people screen against the deadly fly appeared in the weekly edition of the Farm Bureau:

It should not be necessary in any community to screen dwellings, meeting houses, school houses, etc., against flies if the proper means have been used to destroy their breeding places, by hauling away all manure, cleaning up premises and other means. However, the fact remains that there are flies—sufficient to endanger health and life. The thing left for us to do now is to see that the deadly flies are not allowed to come in contact with people or with food. All public gathering places particularly our meeting houses and schools must be screened against them. Who could be more appalling than to see the white covers on our sacrament tables blackened with flies? or to contemplate having our children sit all day in school rooms where flies have free access to come and go.

Right now is the time for each local to take action in the matter of screening the meeting houses and schools. It is during the next two months that our greatest danger from diseases carried by flies, will come. The danger from typhoid, dysentery and such intestinal diseases can be largely prevented by protection against flies. Let us see to it that there are no deaths in our community this year through our lack of effort in this regard. Let us make a big effort to see that every meeting house and school in the county is screened before the season is over.

## G. A. R. ENCAMPMENT TO BE HELD AT COLUMBUS

General orders have been received at the headquarters of the Utah department, Grand Army of the Republic, from the commander in chief, Clarence E. Adams of Lincoln, Neb., setting forth the arrangements for the national encampment to be held at Columbus, September 7 to 13. N. D. Corser, assistant adjutant general of the Utah department, calls attention to the provisions with regard to transportation as of particular to the Utah veterans, or members of their families, who may plan to go.

Tickets, good for sixty days from date of sale, will be on sale August 15. The rate will be 1 cent a mile in each direction by way of the routes traveled. Stop-overs are allowed going and returning.

Those from the west desiring to go farther east after the encampment at Columbus may purchase at Columbus summer tourist tickets for the resort nearest to their final destination. Such

## AMALGAMATED SUGAR COMPANY INCREASES CAPITAL STOCK AND ADDS TO ITS DIRECTORATE

An increase of \$5,000,000 in the capital stock of the Amalgamated Sugar company, making the total capitalization of the concern \$23,750,000, was voted this morning at a meeting of the stockholders. At the same meeting it was also provided that the directorate of the company shall be fifteen members hereafter, instead of eleven as in the past, a motion being carried to add four new members to the governing body of the company. These facts were stated by Fred G. Taylor, secretary of the company, following the meeting of the stockholders.

Mr. Taylor also stated that there will be an early meeting of the board of directors, at which time vacancies will be filled and a reorganization of the company effected. The meeting also provided for an executive committee of a maximum number of six members instead of five.

**Stock for Market.**  
Six million dollars of the stock of the concern will be sold on the market, the sale having been authorized by the stockholders this morning. Of this sum \$5,000,000 will be preferred and \$1,000,000 common stock. The sale of this stock has already been arranged for by the board of directors, and the stockholders ratified the action.

The capitalization of the company now represents \$25,000,000 of common stock and \$8,750,000 of preferred. Authorization had already been given for \$3,750,000 of the preferred stock.

When the meeting was called notice was given out that certain matters would be taken up for discussion, including the following:

1. To increase the authorized capital stock of the company to \$33,750,000, to consist of \$5,000,000 par value 8 per cent cumulative sinking fund first preferred stock, \$3,750,000 par value of the first preferred cumulative 8 per cent stock, and \$25,000,000 par value common stock.

2. To vote upon the proposition to amend article 4 of the articles of incorporation of the Amalgamated Sugar company as heretofore amended, so as to provide for the increase of capital stock mentioned in paragraph 1, and to add to article 4 of the articles of incorporation, as heretofore amended:

"The men being held to the same standard of care as the women in the former service men are allowing their government insurance policies to lapse, and the officers of the American legion are making an effort to point out to the men the folly of losing this valuable asset."

The men are being told that amendment to the war risk insurance act will be urged by the American legion, aiming to clarify the law and making certain changes for the benefit of the men. It appears that local men do not like the clause in the insurance act which provides for the repayment of the insurance policies in installments rather than in a lump and it is this point the legion will aim to straighten out and have the law changed so that beneficiaries may at least draw out a certain sum in a lump and draw the balance in installments.

**CROPS AT TWIN FALLS ARE REPORTED GOOD**  
SALT LAKE, July 26.—Despite the drought, grain and hay crops of the Twin Falls and Jerome country districts of Idaho give evidences of being quite satisfactory, according to A. H. Vogeler of the Vogeler Seed & Produce company. Mr. Vogeler turned to Salt Lake yesterday after visiting both regions.

"Wheat is fully matured in both districts," he said. "Near Twin Falls the first and second crops of hay have reached the stage when they will not be greatly damaged by lack of water. Two full cuttings of hay are expected in the Jerome country district, on the northern side of the Snake river."

**Former Lieutenant Takes Own Life By Slashing Throat**  
SALT LAKE, July 26.—After an unsuccessful attempt to end his life by throwing himself under an incoming Murray street car at Fourth South and Main street last night, Clarence A. Outzen, of Richfield, Utah, until recently a first lieutenant in the dental corps of the A. E. F. in France, committed suicide early this morning by slashing his throat from ear to ear and cutting the tendons and flesh in his left wrist with a safety razor blade in his room at the Daly hotel, 29 East Third street.

Late last night a man, who has since been identified as Outzen, waited on the corner of Fourth South and Main street until a Murray street car going south on Main street at a fairly fast rate started to turn east at Fourth South street. As the car began to make its turn the man suddenly ran to the track and threw himself before it. The motorman stopped the car in time, so that only the wheels of the front truck touched the man.

With a quick movement the man jumped from under the car and shouting to the motorman that he was all right started to walk rapidly north on Main street. He was stopped by Patrolman David Gues, who searched him, discovering a few small pieces of money. Outzen then continued on his way.

Shortly afterward a call was received at the police station from the Daly hotel. Outzen was found lying on the floor of his room with his throat and wrist slashed. While on the way to the emergency hospital in the ambulance, Outzen died.

Detectives Roy Larsen and William St. John searched Outzen's room and identification papers were found.

The clothes worn by Outzen were torn and the back of the coat ripped into shreds where the street car struck him. In his room were found a hypodermic needle and a quantity of narcotics, the detectives say.

Outzen has three brothers, all of whom were in the army. Two have been discharged and one is still in the service. He is the son of Henry Outzen, former mayor of Richfield.

Henry Outzen, Jr., a brother, is said to have killed himself two years ago in Marysville.

ed, the following new matter defining the rights and provisions of the new \$5,000,000 par value of 8 per cent cumulative sinking fund first preferred stock.

Said 8 per cent cumulative sinking fund first preferred stock shall be fully paid and non-assessable when issued and the private property of the holders of said preferred stock shall not be liable for the obligations of the company. The holders of said preferred stock shall be entitled to receive out of the surplus and net profits arising from the business of the company, when and as declared, cumulative yearly dividends at the rate of 8 per cent per annum from August 1, 1919, payable in equal quarterly installments on the first days of February, May, August and November, and in the event such dividend of 8 per cent on said preferred stock shall not be paid in any year in whole or in part, such part of said dividend of 8 per cent not paid in any year shall be paid out of and from the surplus and net profits of the company and shall accumulate and be paid before any dividends may be paid upon the common stock; and no dividends shall at any time be payable paid or set apart on the common stock until all accrued dividends shall have been declared and paid or set apart on all said issued and outstanding preferred stock, and until the surplus and net profits of the company applicable to the payment of dividends on said preferred stock shall be equal to the amount required to pay the dividends on said preferred stock for the further period of one full year after the withdrawal of any sum proposed to be paid as a dividend on the common stock. Said preferred stock shall, in the event of the dissolution, liquidation or winding up of the company, whether voluntarily or involuntarily, be paid the full par value, together with the full amount of any unpaid and accrued dividends thereon, before any sum shall be paid or distributed or any assets applied upon the common stock; but the said preferred stock shall not be entitled to receive out of the surplus earnings or profits of the company any excess of said cumulative dividends over the rate of 8 per cent per annum.

**EXPECTED HOME**  
Miss Madeline Quillman, at present in Washington in the bureau of war risk insurance offices, will be home the first week in August to spend a three weeks' vacation.

**VISITING DENVER.**  
Miss Margaret M. Johnson of Denver is visiting in Ogden for a few weeks with friends and relatives. She will spend some time in Ogden canyon before returning to her home.

**RETURNS TO COAST.**  
Mr. and Mrs. L. K. Huntington have returned to San Francisco after visiting in Ogden for a short time with relatives and friends.

**VISITING IN OGDEN.**  
Miss Eleven Soderberg of Salt Lake City is visiting in Ogden with her sister, Mrs. William Cole of 3544 Washington avenue. Miss Soderberg is to be married August 15.

## SOLDIERS URGED TO RETAIN INSURANCE

**POCATELLO, Idaho, July 25.**—Members of the American legion, Idaho post, are being urged by the state officer to keep up their war risk insurance policies. Information is current that fully three-fourths of the former service men are allowing their government insurance policies to lapse, and the officers of the American legion are making an effort to point out to the men the folly of losing this valuable asset.

The men are being told that amendment to the war risk insurance act will be urged by the American legion, aiming to clarify the law and making certain changes for the benefit of the men. It appears that local men do not like the clause in the insurance act which provides for the repayment of the insurance policies in installments rather than in a lump and it is this point the legion will aim to straighten out and have the law changed so that beneficiaries may at least draw out a certain sum in a lump and draw the balance in installments.

## CROPS AT TWIN FALLS ARE REPORTED GOOD

SALT LAKE, July 26.—Despite the drought, grain and hay crops of the Twin Falls and Jerome country districts of Idaho give evidences of being quite satisfactory, according to A. H. Vogeler of the Vogeler Seed & Produce company. Mr. Vogeler turned to Salt Lake yesterday after visiting both regions.

"Wheat is fully matured in both districts," he said. "Near Twin Falls the first and second crops of hay have reached the stage when they will not be greatly damaged by lack of water. Two full cuttings of hay are expected in the Jerome country district, on the northern side of the Snake river."

## Society

**PARTY ENJOYED**  
At the Deaf and Blind school field to the east last Thursday evening, another War Camp Community service party was given and the event proved a pleasing one to a large number of the men and their young ladies. Early in the evening a corn and weinervurst roast was immensely enjoyed and later all danced in the gymnasium hall where a splendid orchestra furnished the music. The party was attended by quite a large number of young people.

**SUNDAY SCHOOL OUTING**  
The Brigham City Sunday school young people will hold their annual outing in Glenwood park next Wednesday and a fine time is expected. The entire membership plans attending the afternoon outing and there will be basket lunches brought to the park.

**GOES TO DENVER**  
Miss Margaret Reeves, who has been giving special Red Cross work in Ogden with the Home Service Bureau during the past month, left Ogden last Wednesday for Denver on official business. Miss Reeves is field supervisor of the Red Cross for Utah.

**GO TO IDAHO**  
Mr. and Mrs. Frederick W. Ellis of North Ogden have gone to Idaho to spend several weeks visiting relatives and friends. They will spend a short time in Rudy, Garfield, Menan, Idaho Falls and other places.

**ON YELLOWSTONE TRIP**  
Mr. and Mrs. P. T. Nelson and Mr. and Mrs. A. L. Nelson of Roy have gone to Yellowstone park, making the trip from Ogden by auto.

**CIVIC LEAGUE**  
The members of the Civic league will meet Wednesday morning, July 30, at 10 o'clock at the home of Mrs. J. W. Wintle, 878 Twenty-fourth street.

## WORLD'S MARKETS

**NEW YORK, July 26.**—Mid-summer conditions prevailed in the stock market today, the short session being given over to pools and professional traders. Dealings were moderate and ran mainly to motors, oils, steels and equipments. Shipings, copper and food shares also had their periods of activity, with several of the specialties, but rails were in retirement. Irregular reactions in the first hour were overcome later, a demand for United States Steel being the sustaining feature. The closing was strong. Sales approximated 600,000 shares.

**NEW YORK, July 26.**—There was little trace at the opening of today's stock market of the selling pressure which contributed to yesterday's irregular gains. Steels, oils and shipings led the vigorous gains of 1 to 2 1/2 points. Motors and tobacco also scored variable gains with copper, but rails made little progress aside from further buying of New Haven and several other low-priced issues. Announcement of the proposed capital increase of the Standard Oil company of New Jersey caused considerable covering of short contracts.

**CHICAGO GRAIN**  
CHICAGO, July 26.—New upturns in the price of corn took place today as a result of continued dry, hot weather. Forecasts of local thunder showers had only a transient bearish effect. Bulls contended that soaking general rains were needed to avert crop damage. Opening quotations, which ranged from 1/2 off to 1/4 advance, with September \$1.95 1/2 to 1.96 1/2, and December \$1.65 to 1.66 1/2, were followed by moderate gains all around.

Oats rallied with corn. Offerings were scarce. After opening unchanged to 1/2 off to 1/4 advance, including September at 79 1/2 to 80c, the market sagged a little further, and then rose to above yesterday's finish.

**CHICAGO, July 26.**

	Open	High	Low	Close
Corn—				
Sept.	1.95 1/2	1.95 1/2	1.95	1.95 1/2
